

Education

what?

Through the **Education** module, users can track and enter up to four dates per **Program Term** for a participant who receives the following:

- educational home visits
- individualized curriculum plans
- parent conferences

Because tools vary agency to agency, these fields can be used to track the dates and enter data for tools specific to your agency.

setup

- * If you are currently using ChildPlus, your system administrator has already completed this section, skip to the data entry section.

Before using the **Education** module tools, you must first set up this tool.

Agency-Specific Customizable Fields

Family Member Personnel **Education** Site Inspections

You can customize two educational assessments in ChildPlus. Each may have up to 12 items. Name the items by filling in a name below. These fields show up on the Education screen for family members.

Assessment A Header HS-Denver

Assessment B Header EHS-Ages/Growth
