Head Start Fast Facts

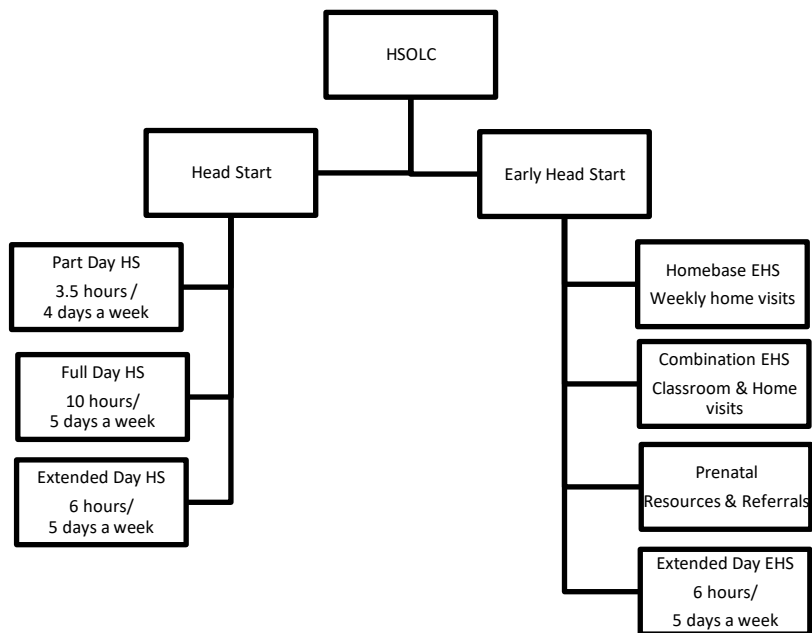

Head Start has served millions of children since 1965, growing from an eight-week demonstration project to include full day/year services and Early Head Start for infant/toddler. Currently, Head Start is administered by the Administration for Children and Families (ACF) in the Department of Health and Human Services. Head Start serves over a million children and their families each year in urban and rural areas in all 50 states, the District of Columbia, Puerto Rico and the U.S. territories, including American Indian, Alaskan Native and Migrant/Seasonal communities. Early Head Start (EHS), for low-income pregnant women and families with infants and toddlers up to age 3, has 1,027 programs which provide EHS child development and family support services in all 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands.

The Region Office, Region X (10) oversees all Oregon, Washington, Idaho and Alaska Head Start/Early Head Start programs. The Region is a resource for Head Start training needs, policy clarification and guidance.

Oregon has 31 Head Start programs, and 20 Early Head Start programs. Over 11,000 children are enrolled state-wide. Oregon PreKindergarten provides state funded Head Start/Early Head slots and follows the same Performance Standards as the Office of Head Start.

Head Start of Lane County (HSOLC) serves over 1,000 children. Services are offered in: Eugene/Springfield, Florence/Mapleton, South Lane, Junction City and Oakridge. Early Head Start serves Eugene/Springfield, Oakridge and South Lane County. HSOLC offers six options to address community needs.

Fact!
Head Start is a
56 year success
story

A set of core values helped build the foundation of Head Start’s success

- Recognize that the Head Start community (families, staff, community) have roots in many cultures. By working together we can effectively promote respectful, sensitive and proactive approaches to diverse issues.
- Basic health needs are met and healthy habits established that enhances lifelong well-being.
- Empowerment occurs when program governance is a shared responsibility and when ideas and opinions of families are heard and respected.
- Respect that everyone learns differently and individualize services to ensure the most success for Head Start/Early Head Start child and family.
- Build and foster community relationships that extends opportunities for networking and resource sharing
- Develop a continuum of care, education and services that provide stable, uninterrupted support to children and families for lifelong learning
- Establish a supportive learning environment for children, parents and staff.

Head Start of Lane County believes:

- Children are more likely to be successful in school when their basic needs of food, housing and health are addressed.
- In order to begin reading and other academic tasks children must gather meaning from the world and develop habits of observation, questioning and listening.
- Young children are active learners who learn best by exploring their environments and engaging in activities that are concrete and relevant.
- Safe and healthy families are a shared community responsibility.
- HSOLC is committed to providing resources for staff to pursue ongoing professional and personal development.
- Parents are a child’s first and most influential teacher. Information about children is crucial in planning meaningful and relevant experiences and activities that address children’s strengths, interest and development.
- Each child and family should expect to see themselves reflected in the program through diverse staff, curriculum, and other materials and activities that are sensitive to the culture, language, development and abilities of each child and family.
- Partnership in the community is essential to ensure smooth transitions to school and accessibility and availability of needed services.

You, as the parent, observe, guide, promote and participate in the everyday learning of your children at home and in your community. Your role on Policy Council is one way to advance your learning and

interest in education, receive training and other experiences that support your parenting, career and life goals.

To make an impact we have to work together to build strong relationships that support information sharing, and access to information that is understandable and meaningful to you. There are at least six levels you can be involved in:

1. Center level: Family activity events gives every parent the chance to share and learn about child development, engage in activities or classes that are of interest to parents in that classroom and to further you and your child's school readiness. Policy Council members are elected at this level and serve as the link between the Center and Policy Council.
2. Policy Council level: Elected parents represent the parents at the Center level at Policy Council meetings. Policy Council membership must be 51 percent currently enrolled parents. Community members are elected by the Policy Council. Policy Council membership is limited to five-one year terms.
3. Executive Policy Council level: Policy Council Officers and Head Start support staff meet to set agendas and discuss program services, needs, and issues as they relate to children and families. Items move forward to Policy Council for action and approvals.
4. Policy Council Committee level: Policy Council has its own committees that parents on and off the Council can be a part of. These committees have special interest to the Policy Council and are detailed in the by-laws section.
5. Head Start Committee level: Head Start is required to have a Recruitment and Curriculum committee with parent representation. Policy Council elects two parents to sit on each committee and report back to Policy Council the activities and decisions made. The Hiring committee interviews potential employees. All Head Start/Early Head Start parents are encouraged to sit on an interview panel to gain insight into good and poor interview techniques for employment. This committee must be exclusive to currently enrolled families.
6. Oregon Head Start Association level: Two Policy Council Representatives are elected to represent HSOLC parents at the state level. Parents attend three State meetings, trainings that focus on your development of financial security, parenting skills and other interest areas.

As a Policy Council member you have made a decision to influence the future direction of Head Start of Lane County

The Role of Policy Council Representatives

As a chosen leader you will learn about how Head Start/Early Head Start (HS/EHS) operates, the mandates we have to follow and internal policies and procedures to ensure we meet or exceed Federal Performance Standards. Performance Standards are the guidelines that all HS/EHS programs must meet. How each program meets the Performance Standard is individualized to the need and resources of their community. Policy Council members will have many opportunities for direct involvement in:

- Promoting school readiness for preschoolers
- Decision-making in planning, and operating the program
- Developing and planning activities for parent and family engagement
- Advocating for Head Start and early childhood education in Lane County

Performance Standards are the guidelines that all HS/EHS programs must meet.

Policy Council is responsible for program design and operations, long and short term goals, approving hire recommendations, policies, funding applications and activities that support school readiness, and parent and family engagement.

The Board of Directors has ultimate responsibility for the financial health and welfare of the Agency. Both bodies (Policy Council and Board) work towards the same end – providing a high quality birth to five early childhood program for Lane County. The Head Start Act 2007 and Performance Standard 1301 outline the governance role of the Policy Council.

Part 1301 — Program Governance

§1301.1 Purpose.

An agency, as defined in part 1305 of this chapter, must establish and maintain a formal structure for program governance that includes a governing body, a policy council at the agency level and policy committee at the delegate level, and a parent committee. Governing bodies have a legal and fiscal responsibility to administer and oversee the agency’s Head Start and Early Head Start programs. Policy councils are responsible for the direction of the agency’s Head Start and Early Head Start programs.

§1301.2 Governing body.

(a) Composition. The composition of a governing body must be in accordance with the requirements specified at section 642(c)(1)(B) of the Act, except where specific exceptions are authorized in the case of public entities at section 642(c)(1)(D) of the Act. Agencies must ensure members of the governing body do not have a conflict of interest, pursuant to section 642(c)(1)(C) of the Act.

(b) Duties and responsibilities.

(1) The governing body is responsible for activities specified at section 642(c)(1)(E) of the Act.

(2) The governing body must use ongoing monitoring results, data on school readiness goals, other information described in §1302.102, and information described at section 642(d)(2) of the Act to conduct its responsibilities.

(c) Advisory committees.

(1) A governing body may establish advisory committees as it deems necessary for effective governance and improvement of the program.

(2) If a governing body establishes an advisory committee to oversee key responsibilities related to program governance, it must:

(i) Establish the structure, communication, and oversight in such a way that the governing body continues to maintain its legal and fiscal responsibility for the Head Start agency; and,

(ii) Notify the responsible HHS official of its intent to establish such an advisory committee.

§1301.3 Policy council and policy committee.

(a) Establishing policy councils and policy committees. Each agency must establish and maintain a policy council responsible for the direction of the Head Start program at the agency level, and a policy committee at the delegate level. If an agency delegates operational responsibility for the entire Head Start or Early Head Start program to one delegate agency, the policy council and policy committee may be the same body.

(b) Composition.

(1) A program must establish a policy council in accordance with section 642(c)(2)(B) of the Act, or a policy committee at the delegate level in accordance with section 642(c)(3) of the Act, as early in the program year as possible. Parents of children currently enrolled in each program option must be proportionately represented on the policy council and on the policy committee at the delegate level.

(2) The program must ensure members of the policy council, and of the policy committee at the delegate level, do not have a conflict of interest pursuant to sections 642(c)(2)(C) and 642(c)(3)(B) of the Act. Staff may not serve on the policy council or policy committee at the delegate level except parents who occasionally substitute as staff. In the case of tribal grantees, this exclusion applies only to tribal staff who work in areas directly related to or which directly impact administrative, fiscal, or programmatic issues.

(c) Duties and responsibilities.

(1) A policy council is responsible for activities specified at section 642(c)(2)(D) of the Act. A policy committee must approve and submit to the delegate agency its decisions in each of the following areas referenced at section 642(c)(2)(D)(i) through (vii) of the Act.

(2) A policy council, and a policy committee at the delegate level, must use ongoing monitoring results, data on school readiness goals, other information described in §1302.102, and information described in section 642(d)(2) of the Act to conduct its responsibilities.

(d) Term.

- (1) A member will serve for one year.
- (2) If the member intends to serve for another year, s/he must stand for re-election.
- (3) The policy council, and policy committee at the delegate level, must include in its bylaws how many one-year terms, not to exceed five terms, a person may serve.
- (4) A program must seat a successor policy council, or policy committee at the delegate level, before an existing policy council, or policy committee at the delegate level, may be dissolved.

(e) Reimbursement. A program must enable low-income members to participate fully in their policy council or policy committee responsibilities by providing, if necessary, reimbursements for reasonable expenses incurred by the low-income members.

§1301.4 Parent committees.

(a) Establishing parent committees. A program must establish a parent committee comprised exclusively of parents of currently enrolled children as early in the program year as possible. This committee must be established at the center level for center-based programs and at the local program level for other program options. When a program operates more than one option, parents may choose to have a separate committee for each option or combine membership. A program must ensure that parents of currently enrolled children understand the process for elections to the policy council or policy committee and other leadership opportunities.

(b) Requirements of parent committees. Within the parent committee structure, a program may determine the best methods to engage families using strategies that are most effective in their community, as long as the program ensures the parent committee carries out the following minimum responsibilities:

- (1) Advise staff in developing and implementing local program policies, activities, and services to ensure they meet the needs of children and families;
- (2) Have a process for communication with the policy council and policy committee; and
- (3) Within the guidelines established by the governing body, policy council or policy committee, participate in the recruitment and screening of Early Head Start and Head Start employees.

§1301.5 Training.

An agency must provide appropriate training and technical assistance or orientation to the governing body, any advisory committee members, and the policy council, including training on program performance standards and training indicated in §1302.12(m) to ensure the members understand the information they receive and can effectively oversee and participate in the programs in the Head Start agency.

§1301.6 Impasse procedures.

(a) To facilitate meaningful consultation and collaboration about decisions of the governing body and the policy council, each agency's governing body and policy council jointly must establish written

procedures for resolving internal disputes between the governing board and policy council in a timely manner that include impasse procedures. These procedures must:

- (1) Demonstrate that the governing body considers proposed decisions from the policy council and that the policy council considers proposed decisions from the governing body;
- (2) If there is a disagreement, require the governing body and the policy council to notify the other in writing why it does not accept a decision; and,
- (3) Describe a decision-making process and a timeline to resolve disputes and reach decisions that are not arbitrary, capricious, or illegal.

(b) If the agency's decision-making process does not result in a resolution and an impasse continues, the governing body and policy council must select a mutually agreeable third party mediator and participate in a formal process of mediation that leads to a resolution of the dispute.

(c) For all programs except American Indian and Alaska Native programs, if no resolution is reached with a mediator, the governing body and policy council must select a mutually agreeable arbitrator whose decision is final.

Giving Your Time to Head Start & the Policy Council Budget

The Federal government requires Head Start's to provide 20 percent of its total grant in contributions from parents and the community. The time you give visiting your classroom, joining committees or donating materials is called "In-kind". The time or "in-kind" you give is valued at:

- Home Visit 16.31/hr
- Home Tutorial 16.31/hr
- Classroom Visitors or volunteers 16.31/hr
- Office volunteers 16.31/hr
- Board Members 40.75/hr
- Policy Council Members 16.31/hr
- Advisory Committees 16.31/hr

As an example, attending a three hour Policy Council meeting the in-kind or contribution value is \$49.93 or \$587.16 for 12 months of service as a Policy Council Representative (3 hrs x 12 months x 16.31/hr).

Policy Council Meetings

Policy Council meetings are business meetings and not an ideal place for children. The rooms are not childproof and there are no toys or materials for children. We strongly encourage only nursing infants and disabled children attend with their parent if no alternative childcare is available. If you have trouble finding childcare, ask your teacher for help. A meal is provided at each Council meeting and translation service is available.

Council members are reimbursed some costs for attending meetings and planning sessions. Though childcare is not provided on-site, you will receive a supplemental reimbursement for childcare and mileage depending on the number of children and the distance of travel. The reimbursement rates are determined by the Policy Council and available funds.

All in-kind reimbursement forms needs to be submitted within three (3) business days for reimbursement or notification to the Executive Administrative Assistant if unable to submit the physical form in that time frame. Only Policy Council related work or involvement on a Head Start /Policy Council Committee is eligible for reimbursement. The reimbursement rate for attending Policy Council meetings and related committees is:

Childcare reimbursement rate:

- Eugene, Springfield, South Lane, Junction City, Marcola, Lowell, Pleasant Hill and Veneta areas:
 - \$7.50 – 1 child
 - \$12.50 – 2-3 children
 - \$17.50 – 4+ children
- Florence, Oakridge
 - \$22.50 – 1-3 children
 - \$27.50 – 4+ children

Transportation reimbursement rate:

- Eugene, Springfield areas \$4.00
- South Lane, Junction City, Marcola, Lowell, Pleasant Hill and Veneta areas \$8.00
- Florence and Oakridge areas \$14.00

The reimbursement rate for attending a Head Start or Policy Council Committee meeting:

- \$2.50 per hour per child. Mileage still applies to Florence and Oakridge if traveling outside that area.

The reimbursement rate for attending Hiring Committee (interviewing potential employees)

- \$3.00 per hour per child. Mileage still applies to Florence and Oakridge if traveling outside that area.

When you travel or attend a conference or training on behalf of Head Start of Lane County the costs for registration, hotel, meal and a flat rate of \$30 day for childcare is given to you. This is called “per diem.” In the event you are unable to attend the training, meeting, conference, etc. it is expected that you return the money (per diem) to Head Start of Lane County.

The Policy Council budget allocates other dollars as shown below:

Description	2021-2022 Budget
Childcare/ Mileage	\$6,900
PC Training (new members – Oct)	\$625
Policy Council Recognition	\$1,500
State Meeting (3 meetings, 2 parents)	\$3,100
PC Leadership Training (exe officer training)	\$300
Historian Supplies	\$25
Miscellaneous	\$50
Total budget	\$12,500

Policy Council meetings are open to the public and held monthly (second Tuesday of the month) except for July. However, only Policy Council members are allowed to vote on action items. Policy Council meeting ground rules are:

Ground Rules

1. The Chair runs the meeting
2. There must be quorum (a certain number of people – see by-laws for details) in order for business to be conducted.
3. Show up on time and read the packet in advance.
4. Before speaking, raise your hand to be recognized by the Chair; speak loud enough so others can hear you.
5. Debate the issue, not the person.
6. Encourage others to speak; be respectful and listen to others.
7. Summarize or restate a point. Ask for clarification.
8. Consider other perspectives and be creative in problem-solving.
9. Inform Council support staff if unable to attend monthly meeting.
10. Share information from the Policy Council with other parents.
11. Represent HSOLC in a professional manner.
12. If you resign, let us know so we can fill the vacant spot.

Remember....

1. Communication will improve as we learn about each other.
2. Expertise of many will be used.
3. Problems will be resolved – this is a business.
4. A unified group will form.
5. Ownership and personal accomplishments will be felt.

You will receive an information packet through the mail in advance of the Policy Council meeting. It will contain the monthly agenda, previous month's notes, or minutes (official record of the Policy Council's activities and decisions) budget and other material to help you make an informed decision. It is not always possible to give information in advance so the agenda design allows for "action at the meeting" and "action at a future meeting" to give Policy Council time to review, consider and ask questions before moving forward with the action. The agenda is the Chairperson's guide for conducting business.

Sample Policy Council Agenda

The agenda will list the time, date and location of the monthly meeting. The Council typically meets the second Tuesday of the month from 6-9pm at the Whiteaker Head Start Center. The information packet is mailed at least five days in advance of the meeting. If there is a change in location, time or date it will be noted on the agenda. If you are not receiving your packet please inform the Council support staff person to verify your mailing address.

In order to make an informed decision it is important that you read the materials in advance of the meeting. Being prepared will have a direct impact on the Council's ability to conduct business.

Running the Meeting

The Policy Council meeting is run by Policy Council Executive Officers. These positions are elected by the Council: Chair, Vice-Chair, Parliamentarian, Historian, Treasurer, and Secretary. The Executive Council is supported by Head Start staff: Executive Director, Family Service Consultant and Executive Administrative Assistant. Other staff may attend depending on topics and guest speakers asked to present information.

Since these are public meetings other interested community members may attend but they will be asked to leave the room when confidential information is discussed.

Parliamentary procedures are used to run meetings. This process helps meetings run smoothly, maintain order and ensure each member is given equal time and consideration for input. Common terms you will become familiar with are:

<i>Term</i>	<i>Definition</i>	<i>Term</i>	<i>Definition</i>
Abstain	Not voting one way or another	Adjourn	End the meeting
Adopt	To okay or accept	Agenda	The topics and business for the monthly meeting
Amendment	Changing a motion either to improve, enlarge its intent or make it more understandable	Appeal	To question the decision of the chairperson and ask the group to change it.
Appoint	To place someone in a job or position	By-laws	The rules the group has agreed to follow and the goals of the organization.
Call to Order	Ask for meeting to begin or get back on topic	Caucus	Meeting outside the regular meeting to work on plans, policies, etc.
Chair	The position held by the group's leader	Committee	A small group that reviews/reports on a special task assigned to them. The committee can make recommendations
General Consensus	Approval by the group. If even one member objects a vote must be taken.	Majority Opinion	The decision of more than half of the voting members
Motion	A proposal for action	Nominate	To recommend a person for election to office
Pending	Still "up in the air" and undecided.	Personal Privilege	Calling attention to a need, like opening a window
Point of Information	Asking for more information before making a decision.	Pro tem	Temporary
Proxy	Permission is given (usually in writing) by one absent member for another member to vote in his/her name.	Question	A motion that is under consideration with a vote to be take on it.
Recess	A short break	Rescind	To take back, withdraw

Term	Definition	Term	Definition
Resolution	Usually a policy statement being suggested to the group for approval	Second	Support for a motion. Before a group can move on a action (motion), it must have two people in favor before moving to a vote.
Standing Committee	A committee that goes year-round.	Special Committee (Ad Hoc)	A committee selected to handle a single task or event.
Sub-committee	A small group of the larger committee who takes an issue and reports back to the committee for a final decision.	Suspending the By-laws	Making an exception to the Policy Council by-laws with approval. This is temporary in nature.
Tabled	Topic needs to be continued at the next meeting	Unanimous vote	Everyone votes the same way
Veto	To turn down (no vote) on a motion or idea

- ~ Would it be exciting to know
- ~ Would the tabloids be interested in it

But, does the person *Need to Know* this sensitive information in order to do his/her job for HSOLC. When in doubt, practice caution and do not share. Seek guidance from a fellow Policy Council member or Head Start staff.

Now that you have some language to build upon, let's consider the act of making a "motion" – a proposal for action. When you make a motion there are some things to consider:

1. Is your motion clearly and simply worded?
2. Is your motion stated so it is easily understood?
3. Is your motion brief and to the point?
4. Is there specific action?
5. Does the motion focus on a single issue or are issues being confused?

If you answer no to any of these questions, change your motion. A sample of the voting process is:

1. *Recognition.* Raise your hand to get the Chairperson's permission to speak.
2. *Motion.* Offer your recommendation to the rest of the group.
"I move we have a spring picnic."
3. *Seconded.* To support the idea two people are needed. The second person would say
"I second the motion for a spring picnic."
4. *State the Motion.* The Chairperson restates the motion to ensure everyone is clear what action is being approved.
"It has been moved and seconded to have a spring picnic."
5. *Discussion.* The Chair asks for any further discussion.
"Is there any further discussion?"
6. *Vote.* The Chair calls for a vote. This can be by hand, voice, or written ballot.
"All those in favor of having a spring picnic raise your hand and say "yes." All those opposed say no. Any abstaining" (not voting either for or against).
7. *State the Results.* The Chair announces the vote results.
*"The motion passes to have a spring picnic."
"The motion passes with two no votes to have a spring picnic."
"The motion passes with two no votes and one abstention to have a spring picnic."*

You will know when you have had a productive meeting when:

1. Attendance is regular;
2. Ideas and issues are brought up and action is taken;
3. Group goals are met; and
4. Community needs are being met by the services offered

Concerns and Complaints

The Head Start policy is your guidance if a concern or complaint arises that the Policy Council is asked to be involved in.

Policy

The Head Start program encourages communication between parents, community members and Head Start staff. If there are concerns, these should be documented after attempts have been made to resolve them through direct feedback and problem solving with the staff and supervisors involved.

Procedure

1. Written concerns should include a description of the problem, date of occurrence, names of people involved and possible solutions. Parents should consult their Policy Council Representative for advice and assistance.
2. The written concern form will be completed by the individual(s) involved and given to the Director within ten (10) working days. A meeting will be scheduled to discuss the situation. The Director may invite all or part of the following to review the situation: Policy Council Chairperson, Parent/Community member, Policy Council Representative, individual staff person addressed in the concern, Regional Manager, Consultants, Board of Directors Chairperson or other members of the Board of Directors.
3. A written response will be prepared by the Director outlining action taken and given to Parent/Community Members within ten (10) working days of the meeting.
4. If Parent/Community member is not satisfied with the written response from the Director, the Parent/Community member may request a joint meeting of the Policy Council and Board of Directors Executive Committee for final resolution of the concern through a written request to the Policy Council Chairperson. (see [Policy Council Emergency/Special Meeting](#) policy)

Policy Council has other policies to follow to ensure Performance Standards are met and systems are in place to show the work of Policy Council. These are available on the HSOLC web site:

More to Being a Policy Council Representative

As a spokesperson for the Agency you may be asked to join committees at the local, state and national levels. You may be instrumental in sharing information about school readiness goals and ways to be engaged in a child's education by learning what these terms mean and how it applies across all levels of your family's life and community involvement. You may be the testimony needed to help others understand the importance of early childhood education and that the connections made now travel with you and your child throughout life.

What does school readiness mean to Head Start? There are 11 domains which connect to school readiness:

When you show interest and are involved in your child's learning, asking questions to encourage thinking and problem-solving you are engaging in school readiness. You are also increasing your own awareness about child development and the stage your child is in. You may set a goal that furthers your child's development while complimenting your personal goals – this is all part of school readiness.

Let's consider how simple and easy school readiness is on an everyday basis for you and your child(ren):

School Readiness	Child	Parent
Approaches to learning are skills in completing a challenging or frustrating tasks, following directions, making mistakes and working as a group.	Learning the rules of the classroom. Waiting for his/her turn.	Completing a family partnership plan.
Creative arts and expression can be in the form of dance, music and play. These all support imaginative thinking and self-expression.	Free time to play Singing at circle time Creative painting	Take a dance class Play music while you cook Go to the park with your child
Literacy skills in learning to listen, understanding what is seen or heard and expressing his/her self.	Reading at circle time Books and magazines at child level	Expand your vocabulary, it will enrich conversations and make them more interesting. Use "words of the day" or "juicy words" to help build you and your child's vocabulary.
Math skills includes addition/subtraction, spatial sense, and measurement and time concepts.	Sorting shapes and colors. Comparing sizes (big, small, wide, thin) Counting and take a-ways	Make a plan to save "X" amount of money. Try different shopping techniques to reduce food costs. Sort socks with your child while counting size and color.
Children are natural scientists. Curiosity, exploration and asking questions help child understand the world. Active engagement in observing, exploring, experimenting are the best ways to teach science.	Ask "what if" questions, "what do you think", what do you think will happen next?" Cooking projects, weather projects, gardening	Ask questions. Start a new hobby.
Physical health is learning about keeping your body healthy, making right food choices, and learning a healthier life style.	Tooth brushing Active play Gardening	Exercise and eat right Set examples for your children Learn as a family better ways to reduce/recycle/reuse
Social emotional learning is part of learning cooperation, self-control, independence and building friendships.	Learning how to share feelings with someone else.	Working as a team Volunteering and building your network of professional and personal support Seeking employment
Social studies. Children will learn about and how they relate to others in the world around them. This helps children relate to self, family, neighborhood and beyond.	Stories about other places and people	Share your family history Read stories about other places Vote
Logic and reason is asking questions to help your child reason, consider and come to their own conclusion, right or wrong (unless it is safety related).	Puzzles Water and Sand table	Look at all your choices before deciding Ask for help or guidance Look to peers for support

<i>School Readiness</i>	<i>Child</i>	<i>Parent</i>
Language development (receptive and expressive) includes the ability to comprehend language and the use of the language in communicating with others	Engages in conversations with others. Listens attentively to storytelling. Re-tells a story.	Have conversations with your children Read a book
English Language Development (receptive and expressive) is the development of English language skills for children who speak a home language other than English.	Participates in songs, rhymes and stories in English	Take a class to learn English or other language

Engagement is not limited to your child. Head Start wants to engage with you, as the parent who shares vital information about your child, and, as an individual who has dreams and inspirations for a better life for your whole family.

[Oregon Head Start Association](#) is devoted to advocating for early childhood education at the state and national level. The Association membership is made up of Head Start / Early Head Start Directors, staff and parents. Policy Council elects two parents to attend three State meetings on behalf of HSOLC. The State Parent Representatives share information with Policy Council to continue the exchange of information. This can be a “call to action” to support Head Start at a political level to learning about parenting, financial, emergency preparedness and much more.

By advancing your own interests through education, training and other experiences you support and add to your child’s curiosity about what they want to be when they grow up.

Policy Council Bylaws

Bylaws are Policy Council’s organization’s operating manual and are meant to help the Policy Council function. They define:

- The size of the Policy Council and how it will function , including roles and duties of officers
- The Rules and procedures for holding meetings, elections, and appointing officers

The by-laws are reviewed annually and given to the Board of Directors for final approval.
